KAWAI

Luxurious appearance, stunning sound, impeccable touch:
The new range of Classic Series luxury digital pianos –
crafted by Japan's premier acoustic piano company.

Luxurious, elegant, classic – nothing says piano quite like the refined beauty of polished ebony. The evocative character of a silky smooth, rich black cabinet elevates the musical instrument to that of a piece of fine furniture, while simultaneously raising the artistic aspirations of the performer.

Kawai has been creating world-class musical instruments for over 80 years – maintaining traditional handcrafted processes while embracing original ideas, in a passionate quest to perfect the art of the piano.

The new range of premium Kawai digital instruments pursue these very same principles, marrying together stunning polished cabinet parts (meticulously prepared in our own acoustic piano finishing facility) with modern sound and keyboard technologies. The result is the Classic Series – a collection of luxurious, elegant pianos that deliver a truly exceptional musical experience.

Sitting down at the CS3, one quickly begins to appreciate the instrument's acoustic piano design cues: the gorgeous rich black polished finish, the warm glimmer from the family name's brushed metal lettering, and the wide music rest complete with simulated leather inlay.

However the CS3 is far more than just a handsome addition to one's living space, for inside this finely crafted, gleaming black cabinet lies Kawai's advanced digital piano sound and keyboard action technology, ensuring that this exceptional instrument plays as beautifully as it looks. *Progressive Harmonic Imaging* recreates the exquisite tonal character of Kawai's peerless EX concert grand piano with breathtaking realism, while the *Responsive Hammer* keyboard action with *Ivory Touch* key surfaces and let-off simulation guarantees a remarkably authentic piano playing experience.

Complementing its beautiful appearance, stunning sound, and rewarding keyboard touch, the CS3 offers a selection of digital piano features that further enhance one's musical enjoyment. The 3-song recorder, Dual and Four-Hands playing modes, and alternative instrumental sounds add greater variety to players' performances. Furthermore, a convenient metronome function and integrated Czerny and Burgmüller etudes or *Alfred* course books ensure that regular practise is both productive and engaging for aspiring pianists.

Luxurious appearance combined with class-leading touch and tone:
